"under the
sign of leo"

FOREWORD

People of ancient civilizations divided their year into twelve segments and assigned to each a protector-ruler animal. Today these divisions and their animals are known as the Signs of the Zodiac. We Seniors have for the past four years resided in the eighth house, protected by the Lion. Under the guidance of teachers and instructors we have grown from dependent children to young adults eager to meet the responsibilities of the future. Now, armed with our newly acquired knowledge and experience, we of the **CLASS OF '67** prepare to go into society and make our places **UNDER THE SIGN OF LEO.**

Festive Spirit

CLASS OF '67

The senior year is the climax of a high school education. **SENIORS** take an active part in sports, studies, and other school activities. New opportunities, experiences, and responsibilities are a part of the senior year. The **CLASS OF '67** proves to be efficient with the help of its advisor, Mr. Charles Tome, and the leadership of its officers: Steve Moley, President; Dennis Fulton, Vice President; Judy Knisley, Treasurer; and Jane Roseman, Secretary. Various careers will be pursued by the 222 students of this year's graduating class. Many anticipate and prepare for the new challenges awaiting them in college; some work diligently to learn the art of secretarial and commercial jobs, while others prefer to look forward to marriage. The year passes quickly and the many anticipated events are soon part of the past.

PROM

It was Prom Night and at 8 P.M. Students and guests were whisked away to Baum's immortal **LAND OF OZ**. Enchanted couples floated to the music of the Rudy Carroll Orchestra as great and powerful **OZ** himself looked on. Then, suddenly at the witching hour, formal clothes became bermudas and jeans and the **LAND OF OZ** was again our gymnasium. But the spell was not broken, for the All Night Party had begun and the magic of the Prom would linger far into the night.

Graduating students leave with fond

Class Day, Baccalaureate, and Commencement are the last three activities carried on by the Senior Class. Every Senior takes part in each of these activities. Class Day presents the lighter side of those graduating while Commencement and Baccalaureate are aimed at stimulating the serious thoughts and desires of these young adults.

Presented in the form of a play, Class Day captivates those priceless memories which will linger forever in the hearts of the graduates. Baccalaureate, the religious portion of graduation, honors the Senior's accomplishments and challenges him to a rewarding future. The final step in the graduation exercises to be taken by the Senior is Commencement. At this time he receives his hard earned diploma and is no longer a student at RLASHS but a young adult **UNDER THE SIGN OF LEO.**

hopes.

With the cool crisp air of fall comes Red Lion's annual **HOMECOMING** celebration which begins with a float contest between classes. Each class starts work with great enthusiasm and with the expectation of capturing first prize. On Saturday afternoon the winning floats are displayed on the football field as a part of the cheering section to urge our boys on to victory. After the game, everyone hurries home to get ready for the dance that is held in the evening. At the dance the Queen and her court capture the spotlight. When the dance is over, each student leaves feeling a great sense of pride and satisfaction in knowing that the day was one to remember—a winning team and an enchanting evening. What else could one want on **HOMECOMING DAY** at Red Lion High?

DANCES

The highlight of any season is a dance; and who has more seasons, or dances, than Red Lion? In the fall there is Homecoming with its **FALL FESTIVAL**, Christmas brings a **WINTER WONDERLAND**, and when there's no special occasion we make one with a **MONSTER MASH** or a **COMPUTER DANCE**. Entertainment for such affairs ranges from the music of local talent—The Druids and Gambrels—to the well-known Romans and Emperors.

ASSEMBLIES

Assembly programs throughout the school year add variety to the many activities at Red Lion Area Senior High School. Original talent, as well as professional entertainment, is performed regularly. Programs such as talent assemblies and assemblies given by the musical organizations of our school provide students with entertainment, while lecturers and professional entertainers enrich our knowledge of the outside world. Some of our assemblies benefit those who have been successful in our many sports programs and give them the opportunity to publicly receive their awards. Finally, much energy is released when our enthusiastic cheerleaders take charge of the "pep" assemblies during the football and basketball seasons. Well-rounded programs provide our student body with much enjoyment.

Arts and sciences are exhibited.

The annual science exhibit was held at the Senior High School building. Projects over-flowed the science rooms from biology, general science, chemistry and physics. Students, parents, and friends were surrounded by the various projects involving dyes, and electrolysis to hatching eggs. The success of the event was evident because of the large crowd which viewed the spectacular array of projects.

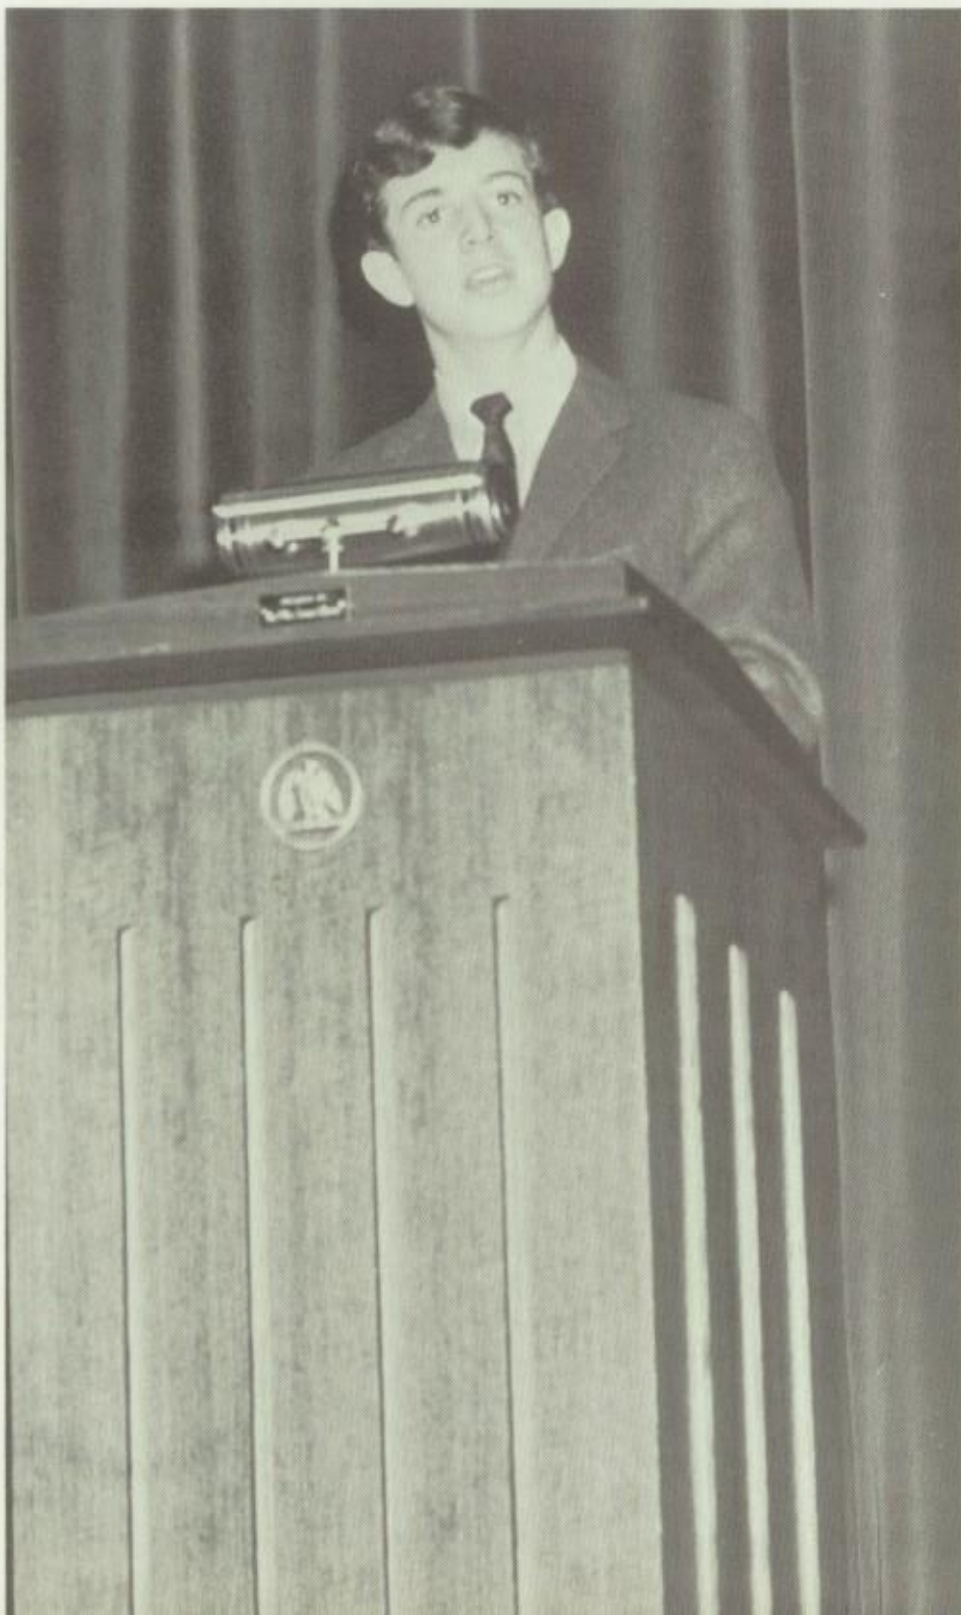

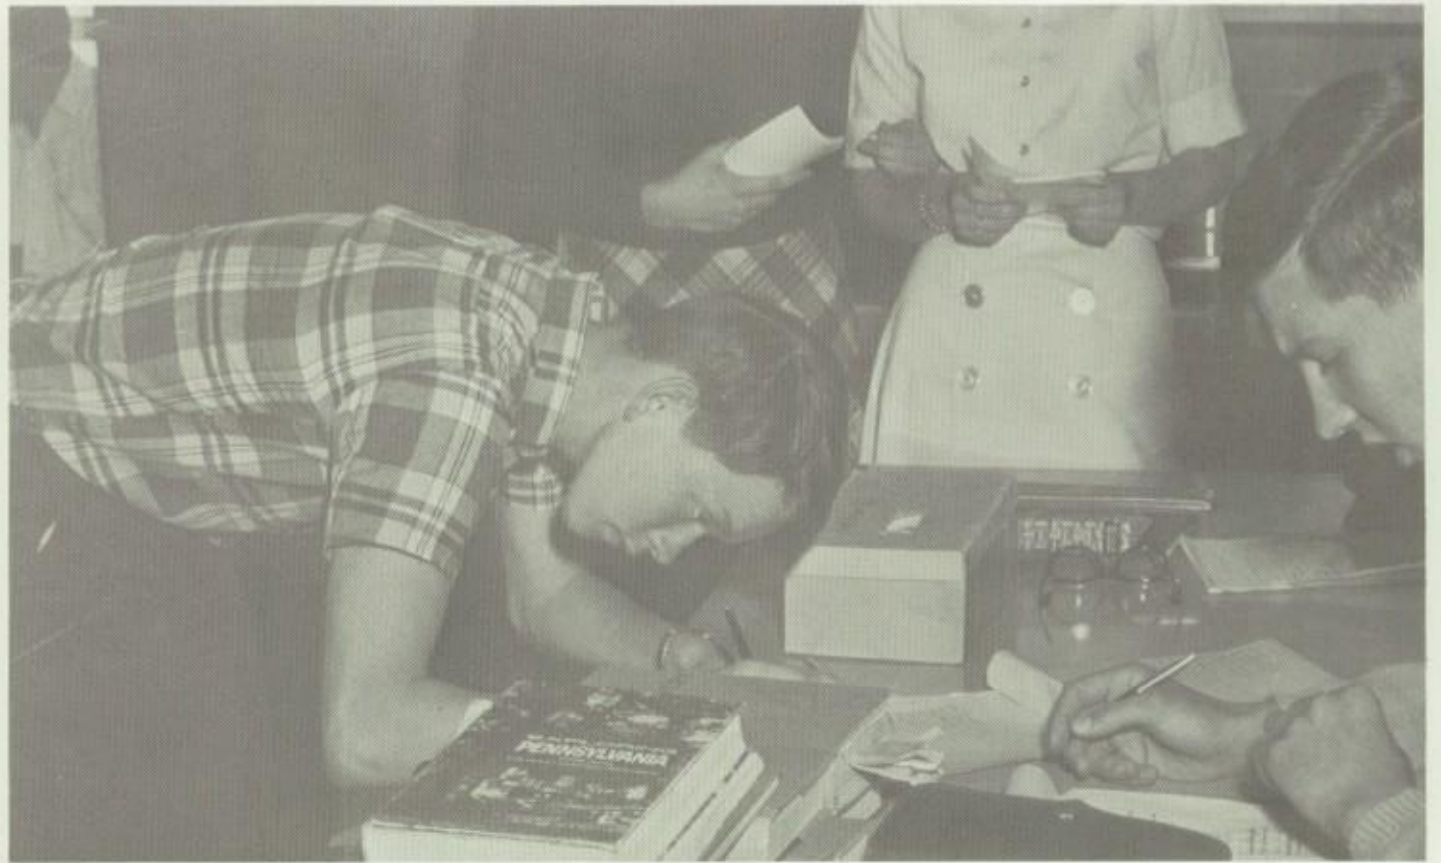

This year the school held its annual exhibit of talents in the arts department. Many oil and water paintings, clay models and other projects made in the art department were on display. The wood and metal shops also revealed their handiworks which varied from ash trays to boats and surf boards. The home economics department displayed many dresses and suits sewn by future homemakers.

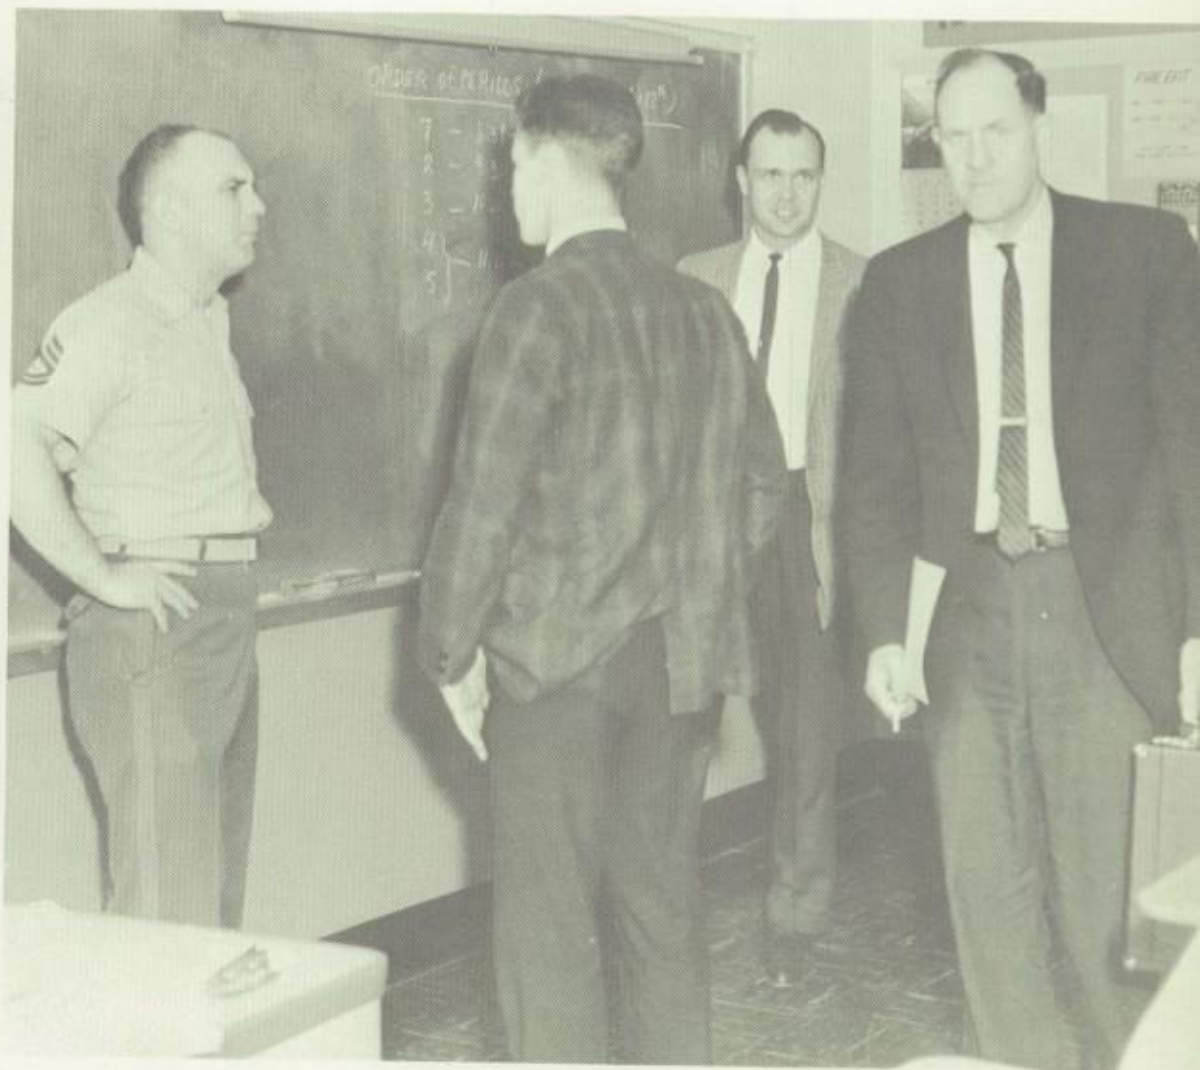

Students plan for their futures.

STUDENT COUNCIL ELECTION

Created as a service to the students, the Student Council is a forum where new and progressive ideas are formulated and acted upon. It is here that the suggestions of the students are expressed to the administration and the two work together for the good of all. This group works throughout the year to unite the school by sponsoring dances, parades, and fund raising activities. One of the many ways that the Student Council acquaints its members with procedures of a democratic organization is by the Student Council Elections. These elections, conducted the same as national elections, give the students a better knowledge of the role they will play as an American citizen.

An annual event in our area is School and College Night which is a program conducted by the Southern York County Schools. Representatives from various institutions of higher education assembled at Dallastown to conduct fifty minute lectures concerning their respective schools. These lectures provide an opportunity for students and parents alike to hear first hand facts and figures about the college of their choice. Another program similar to College Night is Career Day which takes place within each school and involves just the students.

Golf is rapidly becoming one of our school's favorite sports. This year's fall sports season sent the diligent team members as well as the avid golf fans to the greens. This season, under the competent assistance of Mr. Donald Johnson, the team was very successful. A new record of nine wins and two losses was set. York Catholic and York Suburban were the only opponents the Lions failed to defeat. With their impressive record, the team earned second place in the York County Inter-scholastic Golf League. A nice job, fellows.

Tennis is a relatively new sport at Red Lion High School. This fall sport attracts many tennis participants as well as spectators. Many hours of strenuous practice go into the skill of playing tennis. Under the leadership of Mr. Paul Hangan, the team entered the York County Tennis League this year and competed with York Central, York Suburban, and West York. Although our team's record for the season was not an impressive one, each member put forth his hardest effort in getting a firm standing for this new sport. Next year offers the opportunity for more students to participate and to benefit from this invigorating sport. High hopes are in store for next year's team.

season in '66.

Every season has its sport, and with the arrival of flowers and spring rains, comes baseball, our national sport. No other game is supported so enthusiastically throughout the world. Little boys learn to play baseball before they start to school, and no father is ever too old or tired to toss the ball to his son or to take him to see a game. This sport requires alertness and regular practice as well as team work. Catcher, pitcher, baseman, and outfielders must all work together to bring victory home.

Our sports minded school certainly adds its contribution to baseball by its successful record of seven wins and only three losses in 1966. Coached by Mr. Fitzkee, more than twenty-five boys spent many long hot hours practicing on the field across the street. The long hours of practice were not futile, and we compliment them on their success in winning all but three of their games. The school congratulates the coach and players and will be expecting another excellent team to represent us this year.

The **GIRLS ATHLETIC ASSOCIATION** provides an opportunity for any girl in our school to participate in some of her favorite sports. As an after-school activity, the **G.A.A.** offers such sports as basketball, volleyball, softball, archery, tennis, and badminton. Many tournaments are held to encourage team spirit. Letters can be earned by participating in this program and many girls receive these awards annually. Under the direction of Mrs. Ernestine Smith, the **G.A.A.** provides a healthy atmosphere for fun and physical improvement. Each year this organization continues to grow, and it is hoped that more girls will take advantage of the program presented.

A yearbook is the result of much hard work, and the members of the **LION** staff sacrifice many hours to make their yearbook the best. Many activity periods, study halls, and hours outside of school are dedicated to the **LION**. Efficient staff members are always busy writing captions and copies, photographing, and typing. The activity office, the home of the **LION**, buzzes with the sounds of busy Seniors preparing to meet deadlines. Under the leadership of the faculty advisor, Mrs. Melanie Stover, the staff members gather and organize the material for the yearbook. When the hard work is completed, the Seniors eagerly await the arrival of the yearbook. They can then take pride in their achievement and look back on all the devoted hours and fun that went into the making of their **LION**.

Honor societies

An honor for any member of the Junior or Senior Class is to be eligible for the **LEO CHAPTER** of the **NATIONAL HONOR SOCIETY**. To qualify for this organization, a student must possess scholastic excellence and must be active in extra-curricular activities in school, home, and community. The induction ceremony, a very regal occasion, is held annually. Those students who are inducted take pride in achieving this coveted goal.

The **JUNIOR CLASSICAL LEAGUE** is an organization which enables interested Latin Students to gain a better appreciation of the Latin language. Comprised of 43 members, the **JCL** is advised by Miss Helen Clevenger. The groups most important events include: Latin Christmas carolling, a Roman-style banquet, and a visit to the State Junior Classical Convention. Any Latin student is eligible for membership in this organization which offers a better insight into the classical world.

MUSICAL ORGANIZATIONS

By far the most popular extracurricular activities are the choruses, orchestra, and band which are represented by a large percentage of the student body. Much credit must be given to the excellent musicianship of its respective leaders. They work diligently for perfection not only in harmony of notes but personalities as well. The result has been outstanding Nights of Music, Christmas Assemblies, and special features not only for the school but for the community as well.

The Future Farmers of America is a national organization of tomorrow's food producers, mechanics, and nurserymen preparing themselves for a place in our society. They attain these goals by competing, sometimes failing, but always learning more about their future occupations. Each member begins his enrollment as a Green Hand and may progress through Chapter Farmer, State Farmer, to American Farmer. The FFA develops the leadership and knowledge which is necessary for these boys to become future leaders in the agricultural field.

Our Successors

Swiftly approaching the end of their High School days, the **JUNIORS** are already looking forward to their last year at Red Lion.

This energetic class has shown their school spirit by winning first prize in the annual float contest sponsored by the school. Under the leadership of President Jane Hively, Vice President Jim Fleagle, Secretary Debbie Evans Treasurer Susan Leithiser, and advisor Mr. Harold Myers, the **JUNIORS** enjoy taking part in all the extracurricular activities of the school. Looking forward to such new ideas as their play and the Prom, the **CLASS OF '68** is also searching for new vocations and general future plans.

Underclassmen share in many activities.

Winning first prize, the **Junior Class** float displays the class's artistic ability as well as its school spirit. The float was part of Red Lion's annual Homecoming celebration.

Mr. Myers studies **Junior Class** problems with Dennis Tilton and Richard Euerle.

Getting their first taste of Homecoming, the Freshmen find that there is more to school life than work. Their float captured honorable mention for the class.

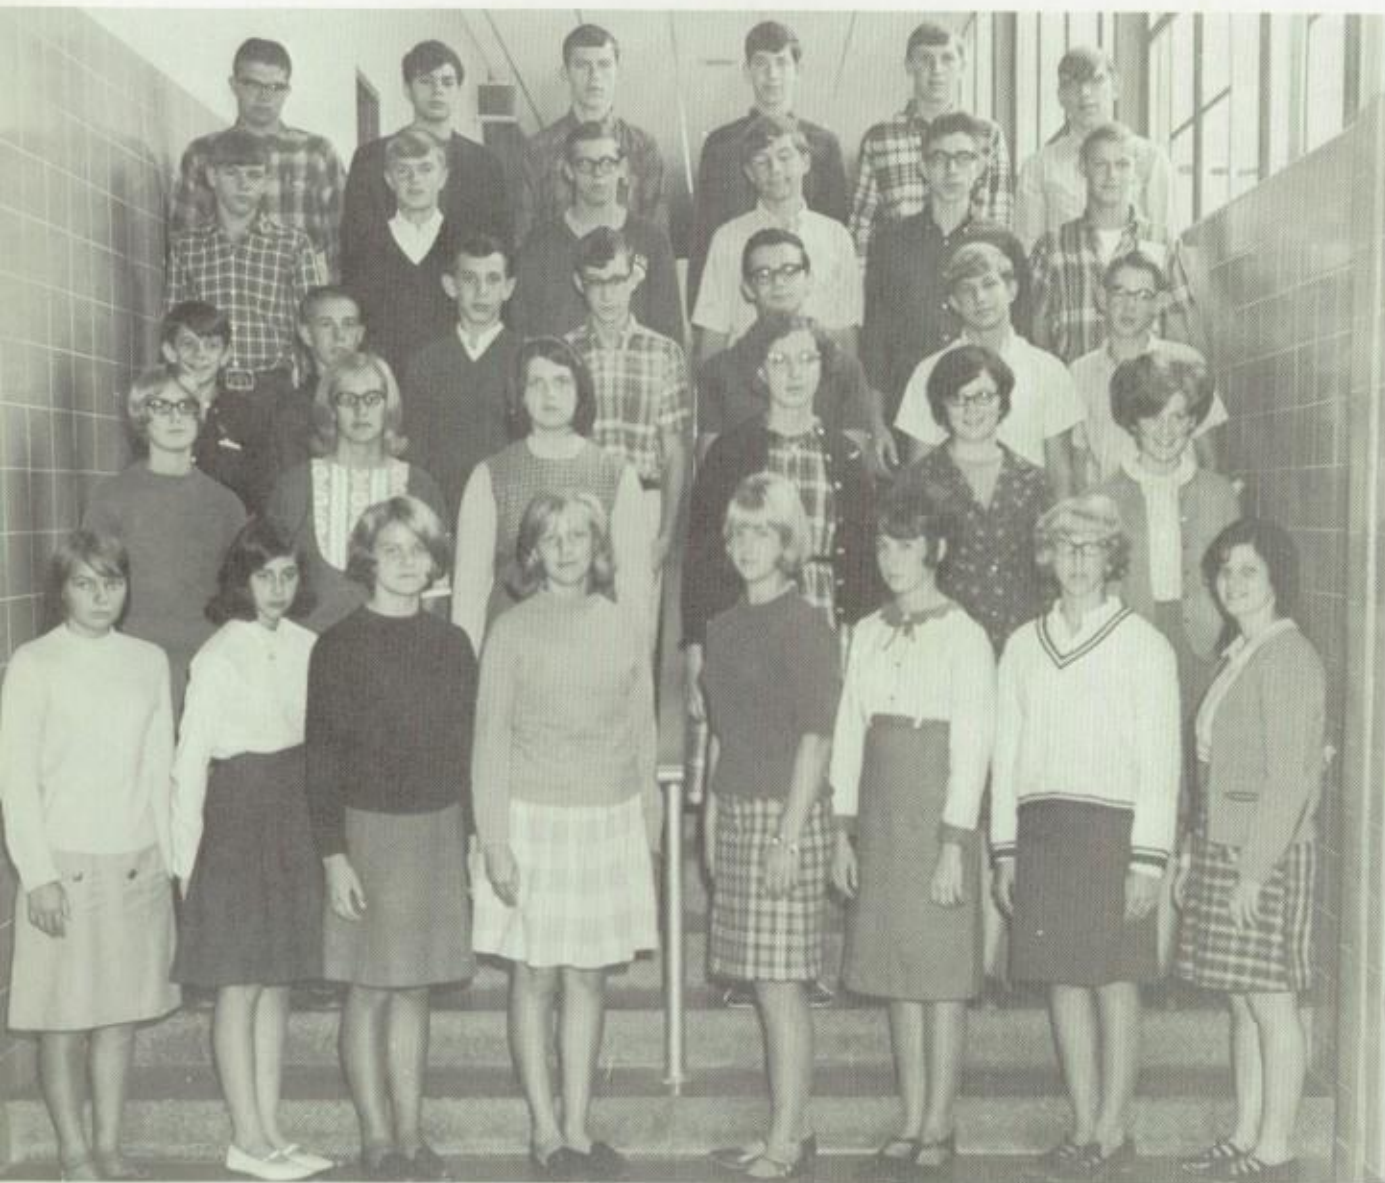

Under the leadership of its class officers, President Beth Smith, Vice President Louis Knotts, Secretary Jane Jacobs, Treasurer Peggy Holland, and advisor Mr. Jones, the **SOPHOMORE CLASS** awaits the oncoming two years with great hopes and dreams.

Already this year the vast majority of **SOPHOMORES** have found themselves in the center of many school activities. The boys are the core of the Junior Varsity basketball and football teams, while the energetic girls enjoy cheering the players on to victory. The **CLASS OF '69** undertook two main projects this year. They constructed a float for the Homecoming celebration and they sponsored the Christmas dance. Each **SOPHOMORE** accepts his share of the responsibilities and together the class functions as a team.

This year, as every year, Red Lion Senior High School welcomed a group of frightened and mixed-up students—called **FRESHMEN**. Although they were confused and alarmed at first, after about two weeks of reaching the wrong room and wing, they have settled down to the everyday life at Red Lion. During our pep assemblies this enthusiastic class has been voted to be the loudest group of **FRESHMEN** ever to reach the Senior High.

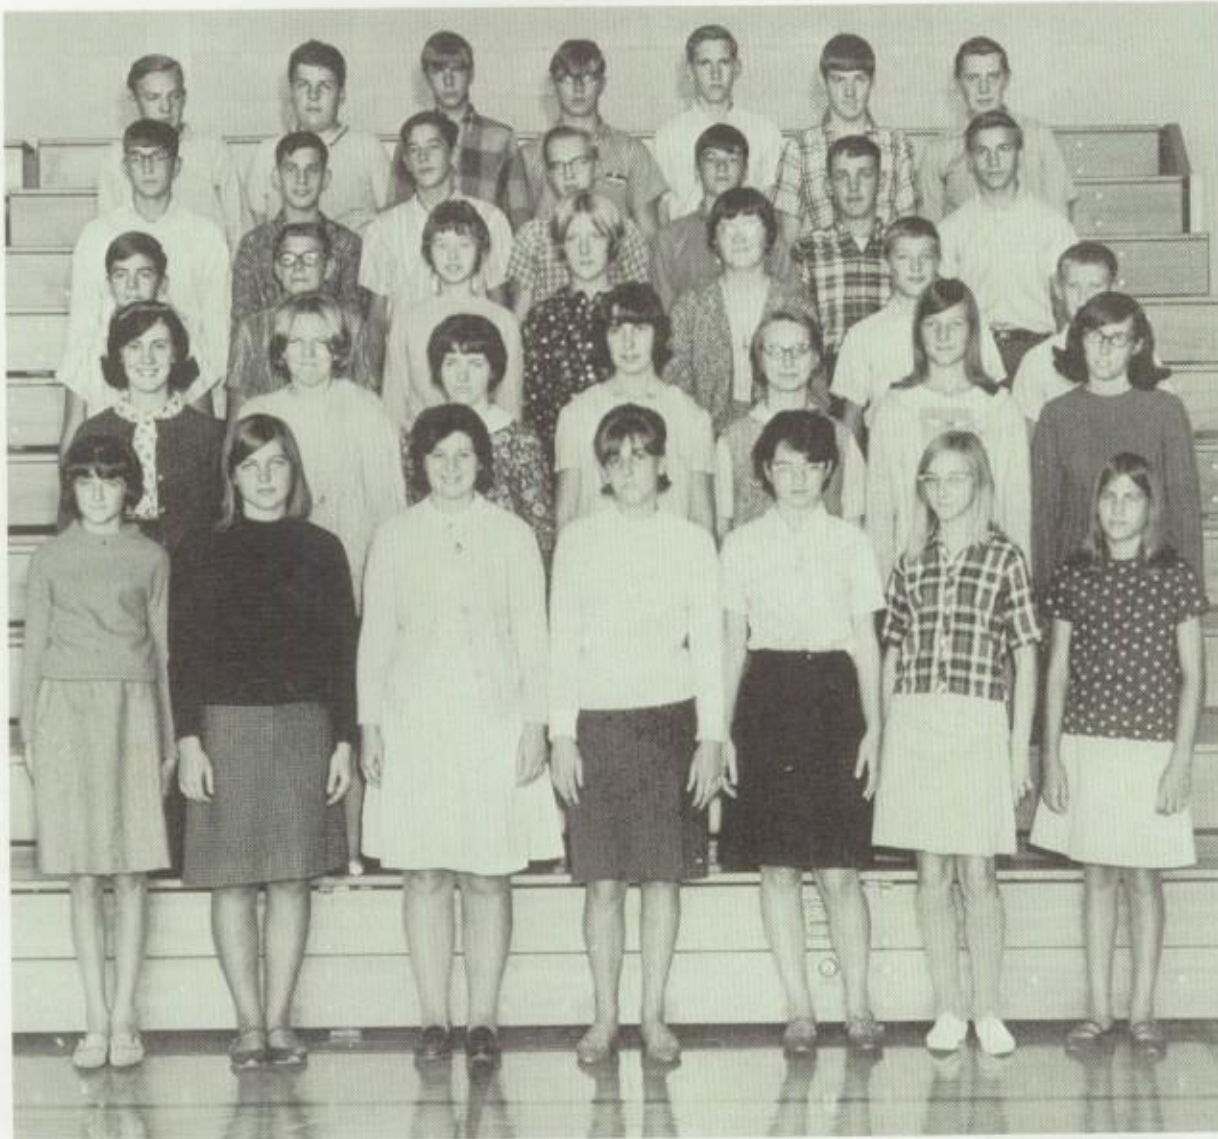

With James Loyer as President, Jean Hively as Vice President, Carol Warner as Secretary, Janeen Smith as Treasurer, and Miss Myers as advisor, the **FRESHMEN** showed intense interest in constructing their float.

FINIS

Four years have passed since first we entered the House of Leo. With those four years have passed, also, childishness, irresponsibility, and ignorance. Now as we prepare to go out in the world on our own, equipped with newly acquired knowledge and maturity, may we take our heads out of the stars and firmly plant our feet on the earth in order to strive for the highest goals attainable **UNDER THE SIGN OF LEO.**
